HERMIS WINS SUBURBAN AND MAKES NEW RECORD FOR RACE

Hermis won the Suburban at Sheepshead Bay this afternoon, breaking Gold Heel's record of 2:06.1-5 for the race; 60,000 people went wild with delight when the outsider came home in front of the heavily backed favorite, Irish Lad. The Durvea colt was wearing blinkers for the first time, and probably interested with his running. He seemed to have all his speed for the first mile and was lying in a good position to the far turn, where he started to run out. He could never make up the lost ground and even faltered in the run home.

Charlie Dwyer, who was six lengths in front of Devilish, broke Gold Heel's record as Easy Winner.

Sweet Alice set out the running to the head of the stretch in the sixth, where she began to tire. Leader went to the lead and won easily by two lengths from Carbuncle, who got up in time to beat Sweet Alice six lengths for the place.

OTHERS BEATEN OFF.

They ran this way to the far turn, with no change except that The Picket moved up closer to the leaders and Irish Lad closed on Hermis. The others were beaten off at this time.

When Irish Lad closed on Hermis, he went up "Hermis is down." He was not done, however, for with the move that Shaw made on the favorite Irish Lad began to run away. Devilish, Peacock, and Hesitation saw this, and at once called upon Hermis. He drew away several lengths. Holgeron then went to work on The Picket and that game horse was soon on even terms with Irish Lad.

Into the stretch Hermis was three lengths to the good. "He will surely stop" yelled the crowd when they saw Shaw and Holgeron riding their mounts desperately. Steady as a clock Hermis came along with not a sign of faltering and amid tremendous cheering won by two lengths. The Picket and Irish Lad duplicated their Graysend race, running hard and held on to the last few jumps, where The Picket closed to the front and got the place by a neck. Devilish was badly beaten, as were all the others.

THE RECORD FOR Suburban.

The time—2:06.1-5 was the fastest ever run in the Suburban. Gold Heel's record of 2:05.1-5.

Just before the first race was started, Holgeron was scratched out of the Suburban.

Evening World Far Ahead.

The Evening World's automobile racing bunches of copies of the Evening World continue to grow. The Suburban left this office at 4:15 o'clock this afternoon and reached the race track twenty-six minutes later. It was the best of the autos, while the other papers and The Evening World sold rapidly.

Reliable Shut off After Start.

The talent took Reliable in the first race, making him favorite at even money, and the crowd was disappointed to see that he was pipped to the exclusion of the others. There was any price against the others. Mamie Worth made all the running, followed by Mizen and Daleman and they held the order to the stretch. Mamie was never caught, and she drew a length from Mizen, who was six lengths in front of Reliable.

Seymour Wins the Second.

Bobballi was cut loose in the second race, and Drake settled in for a commanding. Of the others Seymour and Letola were well played. Bobballi did not connect. He ran a lame race, which cut him off from the lead. Seymour, Judge Denton and Greenstreet, etc., they ran in this order to the stretch. There Seymour had to the stretch and beat half a length from Letola, who beat Thibout Southerner the same distance.

Song and Wine's Double Event.

Bennington's stable, Song and Wine, was also well run, favoring the Double Event. They were heavily backed at short prices. None of the others outside of Veto was well played, except for show. The addition of the new and Wine's lucky, Bandy ran a bad race. Song and Wine made all the running, but was all out to win by a length and a half from Sparkling Star, a 10 to 1 shot, who was played strong and beat Coombe a length and a half for the place.

Diamond Flush Takes Fifth.

Don Royal made the running to the last sixteenth, where Diamond Flush was in show to win by a length from
